Forensic Nurse Examiner, Sexual Assault Nurse Examiner Program – District of Columbia
Forensic Nurse Examiners, Washington, DC (April 2014 to August 2017)

- Provided specialized compassionate and comprehensive medical forensic care to victims of sexual assault and intimate partner violence by collecting DNA trace evidence and forensic photography for patients presenting in the hospital setting.
- Worked as the intimate partner violence interim coordinator, in regularly scheduled meetings, to provide guidance to a multidisciplinary team to identify challenges in response and in care of the victim by applying best practice solutions.
- Collaborated with advocacy organizations, including the Network for Victim Recovery of DC (NVRDC) and DC Survivors and Advocates for Empowerment (DC SAFE), in assessment of the victim's safety, emotional and housing needs.
- Served as a consultant to emergency room physicians and nurses, recommending treatment options for victims that include radiologic scanning, STI/HIV prophylaxis, lab and toxicology testing, and pain control.
- Worked in collaboration with law enforcement, the crime lab and attorneys in providing unbiased review of victim injuries, treatment and medical records by serving as a fact witness to provide legal testimony in cases that move to trial.
- Performed paper and electronic medical chart review for compliance in medical standards and guidelines and for accuracy and completeness.
- Provided training to medical professionals, advocacy organizations and police departments concerning the Forensic Nurse Examiner role and response.

Forensic Nurse Examiner, Crisis Continuum Project Trauma Team – District of Columbia
Forensic Nurse Examiners, Washington, DC (Jan 2016 to August 2017)

- Integral member of a pilot program providing specialized medical forensic care to victims of homicide attempt, including forensic documentation, photography and maintaining chain of custody of probative evidence for law enforcement.
- Aided organizational leadership in creating and shaping policy and procedures.
- Furnished resources to victims in efforts to help them safely return to their communities.

Emergency Department Nurse and Radiology Department Support – George Washington University Hospital, Trauma I Facility, Washington, DC (Sept 2013 to Oct 2014)

- Per Diem ER Nurse employed by The George Washington University Hospital.
- Worked as Greet "First Look" Nurse, triage nurse and trauma nurse to manage care of critically ill patients and assist team members, including physicians, nurses, residents, social workers, interpreters, and students in providing evidence-based care.
- Provided per diem coverage for the Department of Radiology performing IV therapy and care management throughout conscious sedation procedures for biopsies.

Emergency Department Nurse – East Texas Medical Center, Trauma I Facility, Tyler, TX
(Feb 2013 to May 2013)

- Employed by Medical Express (American Mobile Network) nursing agency in a 4-month nursing travel assignment to provide critical care to adult and pediatric patients.
- Precepted paramedic, EMT and nursing students in the process of providing urgent medical care to acutely ill patients.

Emergency Department Nurse – MedStar Washington Hospital Center, Trauma I, Washington, DC (May 2012 to Feb 2013)

- Worked as team leader to manage care of critically ill patients and assist team members, including physicians, nurses, residents, social workers, interpreters, and students in providing evidence-based care.

Burn/Trauma Nurse – MedStar Washington Hospital Center (July 2011 to April 2012)

- Assessed, planned, and managed nursing care for patients after burn and trauma injury, as well as cared for patients in the medical surgical unit.
- Recorded observations and behavioral changes and tracked the care of the burn and trauma patient during the pre- and post-operative period and throughout rehabilitation.
- Assisted the patient with morning care and performed daily burn dressings while carefully managing pain.

Basic Life Support (BLS) Instructor – Dimensions Healthcare Training Facility, Laurel Regional Hospital (Feb 2014 to Jan 2015)

Program Manager, UCLA David Geffen School of Medicine (July 2008-Jan 2010)

- Provided strategic planning to Directors to develop and meet long-term goals in producing programs that maintained quality and budget in the Office of Continuing Medical Education.
- Managed, monitored and assessed large-scale conferences and dinner meetings on-campus and on-location, implementing cost savings of up to \$40,000 in selected events.
- Hired and supervised support staff instrumental in program implementation and performed evaluation of that staff through performance monitoring.
- Created and monitored grant proposals, event budgets, and oversaw the post-event grant award reconciliation process.
- Negotiated venue and vendor contracts and timelines and recommended policies and procedures that assisted in the venue and vendor selection process.
- Coordinated all logistics of meeting management with various agencies including marketing, audio-visual, entertainment, speaker compensation and reimbursement, speaker housing, security, parking, transportation, printing, decor, and catering.

Faculty Legal Assistant – Loyola Law School, Los Angeles, CA (March 2007–July 2008)

- Provided a high level of administrative and research support to the law school faculty.
- Maintained and updated confidential student files and examination materials.
- Maintained appointment calendars, planned and coordinated travel arrangements, meals, and reimbursements for meetings.
- Provided Tenure Review Committee support.

Middle School Teacher – Los Angeles Unified School District, Los Angeles, CA (Aug 2005-March 2007)

- Developed instructional materials for biology, physical sciences, math, robotics and photography classes at the Los Angeles Academy Middle School.
- Taught, evaluated and counseled student performance on a two-year emergency credential.
- Conferred with parents, teaching and administrative staff concerning student performance.

Graduate School Assistant – Loyola Marymount University, Los Angeles, CA (Aug 2002-May 2005)

- Within the School of Education - Assisted the director in the management of applications and the teacher credentialing process of student teacher interns. Administrative support to faculty and staff as needed.
- Within the Office of First Year Programs - Assisted the Director of The Learning Community in the coordination and assessment of programming initiatives for first year students within the Division of Student Affairs. Planned, facilitated, and assessed campus wide programs. Maintained and updated information and correspondence with freshmen students. Supervised and evaluated a student worker staff.

Search Committee Team Member for the Director of the Academic Community of Excellence – Loyola Marymount University, Los Angeles, CA (Aug 2003-Feb 2004)

- Worked in collaboration with the Associate Academic Vice President, the Assistant Vice President for Student Affairs, the Associate Dean for Ethnic and Intercultural Services, and the interim English Department Chair in screening and selecting a Program Director.
- Assisted in identifying qualities essential for a Program Director that exemplified dedication in assisting underrepresented students in preparing for, applying to, and succeeding in graduate school.
- Met with the Search Committee twice per week to interview, screen, and discuss candidates.

Blood Bank Laboratory Assistant – Charity Hospital, New Orleans, LA (July 1998-May 2000)
